

Next stop on the

Community College ApprenticeshipNH Tour:

1066 Front Street | Room 126

Save the date: Friday, June 15 @ 8:30 am

PANEL DISCUSSION | NETWORKING

At the event:

- **Network** with the ApprenticeshipNH team and Manchester Community College
- **Connect** with key players in the world of workforce development
- **Celebrate** the successes we've had thus far
- **Learn** how apprenticeship can help meet workforce needs

New Hampshire businesses and community partners are invited to join the ApprenticeshipNH team and Manchester Community College for networking and a panel discussion on Friday, June 15. The panel event will focus on local employers with existing, successful apprenticeship programs. Special attention will be paid to underlining the impact the program has on the businesses that have partnered with ApprenticeshipNH, and how the enrolled apprentices are benefitting from the program.

ApprenticeshipNH is a unique program that prepares workers as Registered Apprentices in the healthcare, information technology and advanced manufacturing sectors. Through a combination of on-the-job training and classroom instruction, the ApprenticeshipNH program helps prepare apprentices to better compete in the modern workforce.
