

# NEED EMPLOYEES?

## GRANITE WORKFORCE PROGRAM LAUNCHING JANUARY 2019

### **What is Granite Workforce?**

The new Granite Advantage Health Care Program, sometimes referred to as Medicaid expansion, has new work and community engagement requirements for recipients. Within this health care program is a pilot work program, Granite Workforce, being launched by NH Employment Security together with the NH Department of Health and Human Services, to provide employers with needed employees. Granite Workforce is looking to match up Granite Advantage recipients with job opportunities at participating businesses.

### **How does Granite Workforce benefit employers?**

NH Employment Security will be working with Granite Advantage recipients to connect those that are job ready with available job opportunities. For those that are not job ready, they will be offered the support they need to become job ready as quickly as possible. This is a great opportunity for your business to address some of your workforce challenges now.

For every Granite Workforce participant hired through this program, the Department will offer a direct payment to the business, if the business continues to employ the individual at the 3 month mark and then another payment if the participant is still employed at the 9 month mark.

### **How do I get involved?**

Contact NH Employment Security at [GraniteWorkforce@NHES.NH.GOV](mailto:GraniteWorkforce@NHES.NH.GOV) or **(603) 228-4083** and **SIGN UP** for the Granite Workforce Program.
