

A native of Syracuse, New York, EJ is a graduate of both Le Moyne College and Binghamton University (MBA), and is a Certified Public Accountant (CPA). EJ started his career in public accounting, working for the "Big 6" accounting firm Coopers & Lybrand, LLP. His clients were in the manufacturing, healthcare, and higher education industries. Since leaving public accounting, EJ has spent the bulk of his career working for global manufacturing businesses in the electronics, capital equipment, and apparel industries.

EJ relocated with his family from update NY to New Hampshire in 2007 to take a role with Vectron International, a subsidiary of Dover Corporation. Since 2016, EJ has served as CFO/VP of Administration for Geophysical Survey Systems, Inc. in Nashua, NH. In this role, he is responsible for leading the Finance, Human Resources, and Information Technology functions in the Company. Geophysical Survey Systems, Inc. (GSSI) is a four-time winner of the "Best Company to Work for in New Hampshire" competition (2019, 2020, 2021 & 2022).
