

Laurie Glaude, SHRM-CP, PHR, CEP, CC, MBTI Practitioner  
Principal Consultant – Aurora Business Solutions

As a Human Resources Professional, Laurie has broad expertise in providing strategy, direction and innovative solutions to today's complex business environments. She is a strategist who has been instrumental in bringing organizations to the next level. A strong and dynamic communicator, her major strengths include training, development and people leadership strategy. Her experience encompasses employee engagement, benefit strategy, administration, compensation programs, people leadership, sales skills, and learning & development. Her strong belief in perspective, inclusion and creative thinking was instrumental in developing programs that continued to bring the organizations she has served successfully forward.

Laurie has been at the helm in people leadership for organization for diverse organizations which include manufacturing, professional services, non-profits, regional and national wholesale distribution as well as large retailers.

Laurie has dedicated her professional life to Human Resources and was a trailblazer in the movement as a strategic HR business partner. She has advanced the HR profession through leadership and educational programs for SHRM, Manchester Area Human Resources Association, Metro West HR Association, Granite State HR Conference, Southern New Hampshire University and Tidewater Community College. She has also positively shaped business results through service on boards including; Child Health Services, Virginia Beach Social Services Advisory Board, University of New Hampshire Advisory Board, Tidewater Community College Women's Advisory Board, and The American Nystagmus Network, a national organization for individuals with visual disabilities and served as its president. Laurie was the recipient of the Granite State HR Hero Award. In June of 2016 Laurie was the recipient of one of the Top Women in Grocery. In addition to holding professional Human Resources Certifications, Laurie is a Certified Coach for Engagement and Performance as well as a MBTI Practitioner.

“Helping businesses improve their financial position through better people leadership practices”
