

Heather McGrail has been with the Greater Manchester Chamber (GMC) for five years, successfully leading efforts to build and serve the organization's business members and inspire a high level of community engagement for New Hampshire's largest chamber. In May 2022, Heather was selected as the Greater Manchester Chamber's President & CEO after an extensive search. She brings two decades of non-profit, media relations and corporate experience, along with a passion for community activation, to her new role as CEO. She graduated from Brandeis University in 2000. A New Hampshire native with deep Manchester roots, Heather began her college studies at Saint Anselm College and now lives with her family in Bedford.
